Recent recordings and prior deed

Sep 15, 2026	Warranty deed and separate mortgage recorded
Sep 28, 2015	Prior warranty deed recorded

The Assessor lists the same 2026 deed number. No later deed appeared in the index.

What to do next

Compare the names above with your own deed. If you see a name or filing you don't recognize, contact the Clerk with the document number. Use the free alert link below to get notified of future recordings.

This is a public-record snapshot through the stated cutoff. The listed mortgage is a recorded document. Its balance and current status are outside this check.
